

STUDENT PARKING:

Limited parking for students is available only in designated areas. **Students may not park in the staff lot during the school day. Illegally parked vehicles may be cited, fined and/or towed at the owner's expense.**

California Vehicles Code 21113 stipulates the following traffic parking regulations:

1. All student vehicles must have a parking permit affixed to the rearview mirror. Vehicles without a permit will be cited and/or towed without notice. Letters cannot be written to clear citations. Temporary permits will not be issued. Students must display their permit when driving an alternate vehicle, provided the alternate vehicle is registered with the student store. All permits are **nontransferable**. (That means you cannot put them in other cars.)
2. All drivers shall obey signs on campus parking lots.
3. All drivers shall operate motor vehicles less than **5 miles per hour** on campus.
4. All drivers shall refrain from any sort of driving that could be construed as reckless such as "peeling out," driving over curbs, transporting students inappropriately, etc. (Violation of this regulation will result in a minimum of immediate loss of permit plus other disciplinary action.)
5. All vehicles shall be parked clearly within designated parking stalls.
6. Students are not allowed to be in the parking lots while classes are in session, during breaks, or lunch.
7. Parking Permits are available in the student store for \$10.00.
8. Senior students may purchase preferred senior parking spots for \$35.00 w/out ASB card and \$25.00 with ASB card. Spots are limited and are available on a first come first serve basis.
9. Once issued, there are **NO REFUNDS** for any revoked permits. Lost or stolen permits may be **replaced at a cost of \$10.00**. Any student found in possession of a lost/stolen permit will forfeit his/her parking privileges for the remainder of the current semester (or longer) and may face additional disciplinary and/or possible legal consequences.
10. No student may loan, give or sell their issued permit to another student. (Violation of this regulation will result in a minimum of immediate loss of permit plus other disciplinary action.)
11. Do not park in student parking without a parking permit. (Violation of this regulation will result in a citation and fine of up to \$10.00)

Students withdrawing from Silverado High School High School must turn in their parking permit as part of the checkout process.
