Dear AP Biology Student of 2019-2020,

It is going to be an honor to be your teacher for the 2019-2020 academic school year and witness your growth in our classroom. There will be good times; conducting labs, collaborating with your peers, awards... There will also be hard times; reading quizzes, projects, College Board Exam!!!!

Don't fret, we will get through the rigorous curriculum and you will be prepared to tackle the College Board Exam! Our preparations must begin before school resumes on August 1st. Below is a breakdown of your Summer Assignment, pay close attention to due dates, and get each task completed before the deadline!!

AP Biology II Summer Assignment:

- Task 1 – Login to our Google Classroom using the code to the left. While logged in post a comment responding to my questions and your peers responses. (Opens NOW, Closes 5/31/2019)
- Task 2 – Complete the biology comprehensive assessment. Follow the directions carefully. (Opens 6/1/2019, Closes 6/30/2019)
- Task 3 – Photo scavenger Hunt. The instructions and list of items to collect photographically will be in our google classroom. Photos will be displayed via google slides presentation. (Opens 7/1/2019, Closes 7/29/2019)

Tips for getting it all done (and on TIME!);

- set alarms/reminders for when your tasks open/close.
- connect with peers before the first day of class.
- check our google classroom often for announcements.
- email Mrs. Wozniak ANY questions you have.

“Nothing in life is to be feared, it is only to be understood”
- Marie Curie

Have a great summer!!!

Mrs. Wozniak
