

SILVERADO HIGH SCHOOL

Silverado Families!

We are excited to announce that we are now offering the convenience of online registration for Silverado High School Athletics and Activities through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID.com, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple sports or activities. You must create an account at FamilyID.com prior to registering your student if you have not previously done so using the link or web address below and following all instructions.

Before registering for the first time you must have an updated Pre-participation Physical and Health History completed, scanned, and ready to upload to your student's account. If you do not have a scanner, your student may bring the hard copies (2) pages into Office 3111 to be scanned and uploaded

It would be helpful to have your student's school ID, Physician, Health Insurance, and all emergency contact information readily available as well as your student available to complete their required parts.

Registering your student will require you to input contact information, emergency contacts, physician and insurance information as well as a brief health history. You will be able to upload their scanned physical/health history during registration. You and your student are required to read each policy and then acknowledge and electronically sign your agreements. When completed you can submit your information to be cleared to participate after Athletic Department approval of your information and documents as well as all other eligibility requirements.

If you should ever require assistance or have questions please contact Brianna Johnson at ext 23113 during school hours. Thank you!

Ignacio Garcia
Athletic Director
